

ラーケーションの日 Learcation Day Application Form

(Month) (Day), 2026

Shizuoka Prefectural () Special Needs School Principal

() School Level () Year

Name of Student _____

Name of Parent _____
(Handwritten)

I understand and accept all the following conditions and will submit them together with the plan.

"Learcation" is a made-up word that combines "learning of children" together with "vacation of parents." It refers to a day when children and their parents plan and carry out activities outside of school on a school day to experience or research something new.

○If you have confirmed the following, please check the box.

☐ I understand the meaning of Learcation Day.

☐ Student(s) will study and participate in activities together with their parents. ☐ Studying for classes missed while on Learcation Day will be done at home.

☐ I will follow the school's instructions regarding school lunch fees.

☐ I understand that insurance from the Japan Sport Council is not applicable.

☐ The attendance record will be marked as "Attendance Suspension (days you do not need to come to school)."

※Submit at least two weeks before the intended Learcation Day

ラーケーションの日^ひ Learcation Day Plan

1. Date of study and/or activity

※The teacher will sign or stamp the "Teacher's Confirmation" box and return this.

※Submit within two weeks after taking the Learcation Day

ラーケーションの日 Learcation Day Report

What I learned

- I learned how to use money when using trains and buses.
- We visited the history museum and learned the rules for using the facility.
- I learned the difference between the tools of the past and the tools of today, and was able to communicate this to my parents.

The report can be written on a different paper (it can also include photographs or drawings).
